From September to December last year we looked at three themes

- ? Who are we
- ? Who is God
- ? How then should we live

We are now going to think about

- ? So, what should we do now

## Reordering Project Update

**Funding** – We have submitted a number of grant applications

**Phase Two** – leveling the floor, installing underfloor heating and creating the new community space, toilet, drinks servery and office

– The two lowest tenders are being checked by our Quantity Surveyor

- There are a number of decisions to be made shortly by all of us regarding the extent of the work we can afford to complete at this time – the **PCC meeting on 16<sup>th</sup> January** will be a key event

Please pray about this project, thinking especially about how we can involve our community and show the love of God in our outreach.
