☺ **Renovation Fund** – We're very grateful for gifts in the pink envelopes for 27th July of £97.42. As I announced last week, the PCC is not looking to complete the drainage work at present, but to concentrate on paying back the loans we have, (unless of course we have a sudden and unexpected influx of substantial money). So please do keep up the good work with the pink envelopes. In a couple of years time we will revisit the drainage, and see if we can find a way forward.
